

TRELLVAC Handler HD

MINING & QUARRIES

Evacuation and material handling
hoses

APPLICATIONS

Heavy duty working hose on vacuum cleaning trucks for use at the work site.

ADVANTAGES

- Light and flexible with good wear resistance.
- TRELLVAC Handler HD is a working hose for heavy materials when wear resistance is of highest priority.

TECHNICAL DESCRIPTION

Inner tube: wear resistant NR, black, smooth.

Reinforcement: synthetic textile, woven fabric with embedded steel helix.

Cover: wear and weather resistant SBR/NR, black, corrugated.

Temperature range: -30°C to +90°C.

Electrical properties: non conductive. The helix can be connected to couplings in both ends. Built-in conductive wire.

COMPLEMENTARY INFORMATION

OD measured on top of corrugation.
