

THÖNI

FAVORIT

The top-selling, high quality fire fighting hose certified to ÖNorm F2105, DIN 14811 and a lot of other international standards. Lightweight and smooth, resistant to low and high temperatures as well as rot-proof.

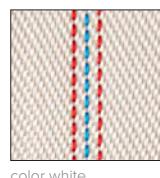

STRUCTURE

- weaving made of high tenacity multifilament polyester yarn, circular woven
- ageing and ozone-resistant lining made of high-quality EPDM compound
- exceptionally good adhesion values thanks to special vulcanizing process

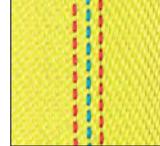

ADVANTAGES

- very lightweight and highly elastic
- low wear and abrasion resistant
- excellent resistance to low and high temperatures
- optionally with additional protection against mechanical and chemical damage
