

THÖNI

HERKULES

Multi-purpose hose for demanding applications such as fire brigades, refineries, airports, ports and industry use.

STRUCTURE

- weaving made of high tenacity multifilament polyester yarn, circular woven
- inner and outer layer made of high-quality nitrile/PVC blend extruded through the weaving in one production process

ADVANTAGES

- highly abrasion resistant and durable
- resistant to low and high temperatures (-20°C to 100°C)
- UV-light and ozone resistant
- resistant to oil, petrol and other chemicals
- resistant to seawater

i.D. in inch	Dia. in mm	wall thickness mm	weight gr/m	WP / BP in bar	article- number
